

# СХЕМА СБОРКИ ШК-3

- сборка изделия требует необходимой квалификации или услуг специалиста по сборке мебели
- внимательно проверить комплектацию изделия и ознакомиться со схемой сборки
- после вскрытия упаковки не выбрасывайте упаковочный материал, используйте его в качестве подложки при сборке
- обязательно сохраните этикетку с упаковки и гарантийный талон
- сборку изделия производить в соответствии с порядком, указанным в схеме, на ровной поверхности
